SPECIFIC— Kubon & Sagner, Book Dealers

ACTION REQUIRED: None. For your information.

1. We have just been informed in a memorandum from [ ] that BGCALLUS is planning to let a part of its cellar to the book dealers firm of Kubon and Sagner. This company has been located in Furth im Wald, Niederbayern and BGCALLUS has been dealing with them for about four years. Kubon and Sagner want to use the BGCALLUS cellar space as a book storage area. BGCALLUS expects to profit by this arrangement to the extent of between 4,000 DM to 5,000 DM a year.

2. Kubon and Sagner are well known to PBCHORD since the TPFEELING library also purchases many of its Soviet publications through them. The source of supply for this firm is rumored to be in Czechoslovakia and it is reported that material from this source is smuggled across the border. It is well to note in this connection that Furth im Wald is but 3 KM from the Czech border.
